

Sexual Orientation Curriculum Policy Petition

Whereas homosexual behavior exposes participants to many life-threatening health risks; and whereas the classroom environment needs to be solely focused on academics; Therefore, we the undersigned citizens of Anoka-Hennepin School District No. 11 do whole heartedly support and desire that the School Board adhere to the following statement in the AH District 11 *Sexual Orientation Curriculum Policy*: "Teaching about sexual orientation is not a part of the District adopted curriculum; rather, such matters are best addressed within individual family homes, churches, or community organizations. Anoka-Hennepin staff, in the course of their professional duties, shall remain neutral on matters regarding sexual orientation including but not limited to student led discussions."
